

Veterinary Ophthalmology

Editor: Kirk Gelatt, University of Florida

Blackwell
Publishing

Veterinary Ophthalmology is a peer-reviewed, international journal that welcomes submission of manuscripts directed towards academic researchers of veterinary ophthalmology, specialists and general practitioners with a strong ophthalmology interest. Articles include those relating to all aspects of:

- Clinical and investigational veterinary and comparative ophthalmology
- Prospective and retrospective studies or reviews of naturally occurring ocular disease in veterinary species
- Experimental models of both animal and human ocular disease in veterinary species
- Anatomic studies of the animal eye
- Physiological studies of the animal eye
- Pharmacological studies of the animal eye

Special issues in **Equine Ophthalmology** and **Feline Ophthalmology** are also available.

The Official Journal of:

The American College of Veterinary Ophthalmologists
European College of Veterinary Ophthalmologists
American Society of Veterinary Ophthalmology
European Society of Veterinary Ophthalmology
Canadian Association of Veterinary Ophthalmology
International Society of Veterinary Ophthalmology
Italian Association of Veterinary Ophthalmology
British Association of Veterinary Ophthalmologists
Latin American College of Veterinary Ophthalmologists
The German Eye Panel-DOK
